

Tender for Delivery Agent & CDM Co-ordinator Services

As old schools turn to state-of-the-art places of learning, as worn out leisure buildings turn into new health and leisure facilities, as an already vibrant town centre turns into one of Pennine Lancashire's most dynamic, so we turn to you to help transform inner Burnley's neighbourhoods.

We want the diversity in housing to match the diversity in Burnley's culture. We want to create long lasting neighbourhoods to match Burnley's long lasting heritage. We want you to use your experience and work closely with our partner contractors and property consultants to match people's aspirations; to create a Burnley where people genuinely want to live, work, visit and relax.

Burnley Borough Council is now in the seventh year of it's vision to deliver it's housing renewal programme; a vision that saw £15million of investment in 2009/2010. If you share our vision, our drive, our determination to bring new life to Burnley's neighbourhoods, then we look forward to working with you.

For a full tender specification, contact Michelle Hall on 01282 425011 ext 2477 or email: michellehall@burnley.gov.uk

The closing date for the submission of the tenders is the 12th February 2010 at 12 noon.
